## **PROSTHESES LIST COST RECOVERY IMPLEMENTATION STATEMENT 2016/17**

The Department of Health has published a draft Prostheses List Cost Recovery Implementation Statement (CRIS) for the period 1 July 2016 to 31 June 2017, at the [Department of Health - Prostheses List website](#).

Stakeholders are invited to examine the draft CRIS and provide feedback to [ProsthesesCRIS@health.gov.au](mailto:ProsthesesCRIS@health.gov.au) by close of business on **18 July 2016**.

Feedback from stakeholders will be summarised, and the summary will be published at the same URL shortly thereafter, along with a revised draft CRIS, if required.

Once finalised, the CRIS will be reviewed regularly by the Department. If the CRIS is revised, the revised CRIS will be published and stakeholders will be invited to provide feedback.

Any queries regarding this matter should be directed to [ProsthesesCRIS@health.gov.au](mailto:ProsthesesCRIS@health.gov.au).
