Prostheses List Management System (PLMS)

This bulletin is to remind you about an opportunity to provide feedback on the [PLMS feedback form](#).

Key messages for this bulletin include:

- The Department is seeking views from sponsors who use the PLMS.

PLMS Feedback

Thank you for those who have responded however, we have had limited feedback in the first week **so we really need your help.**

Why we need feedback and how it will help sponsors

As mentioned in the previous Circular, now that the Prostheses List management System (PLMS) has been in place for a full listing cycle we are keen to hear your feedback. The department has developed a 'PLMS Implementation Feedback Form' which will provide you with the opportunity to comment on the new online application system.

Accessing the Feedback Form

The feedback was available on Wednesday 17 August 2016.

It is not necessary to identify the sponsor or organisation for the purpose of feedback so no names are required. The feedback form will take **approximately 10-20 minutes** to complete.

Timeline for Feedback

The online feedback form will be available for approximately two more weeks, closing on **Wednesday 7 September 2016**. Please **do not delay** in providing feedback on the PLMS to ensure that we receive your views.

Any queries regarding this matter should be directed to [Prostheses Section](#) or the Prostheses Hotline on (02) 6289 9463. Changing your e-mail address? No longer want circulars? Please email [Private Health Insurance Branch](#).
