

PHI 57/22 – Prostheses List Reforms – Compliance Strategy published and open for consultation

Prostheses List Reforms – Compliance Strategy published and open for consultation

Date published:

14 September 2022

Type:

PHI circular

PHI circular type:

Prostheses announcement

Intended audience:

Health sector

The Prostheses List Reform Taskforce (PLRT) informs stakeholders that PL Compliance Strategy has been published on the Department [consultation hub](#). We have also updated our reforms [webpage](#) to include information on the PL Compliance and Assurance.

Stakeholders are invited to provide their feedback on the survey by completing a short survey which closes on 12 October 2022

All queries relating to the consultation process should be [emailed](#).
