PROSTHESES LIST – SURGICAL CARDIAC ABLATION DEVICES

Following the listing of catheter cardiac ablation devices on the March 2019 Prosthesis List, devices for surgical cardiac ablation are being considered for listing.

Medical device sponsors who supply these devices and who have not already applied for listing on the Prosthesis List are invited to submit applications now.

Applications can be submitted in the usual way, via the online Prosthesis List Management System (PLMS) at prostheses.health.gov.au.

Applications to list these devices must be submitted by no later than midnight on 25 April 2019.

Any queries regarding this matter should be sent by email to Prostheses@health.gov.au.
