AMENDMENTS TO THE MARCH 2020 PROSTHESIS LIST

The delegate of the Minister for Health has made the *Private Health Insurance (Prostheses) Amendment Rules (No. 2) 2020* (the Amendment Rules), to correct the minimum benefits applicable to the Prostheses List billing codes WR003 and WR004, and to remove the duplicate entry for the code WR004.

There have been no other changes included in the Prostheses Amendment Rules.

Billing Code	Sponsor	Product Name	Description	Size	Benefit
WR003	Wright Medical Australia	ProDense / Osteoset XR	Composite Injectable Bone Void Filler	10cc	\$1,449.00
WR004	Wright Medical Australia	ProDense/Osteoset XR	Composite Injectable Bone Void Filler	20cc	\$2,043.00

The Private Health Insurance (Prostheses) Amendment Rules (No. 2) 2020 will have retrospective effect, with the date the same as the commencement date of the *Private Health Insurance (Prostheses) Rules (No. 1) 2020*.
