PHI 06/21 – Deadline for submissions to the Prostheses List reform consultation paper

This circular provides information about the deadline for submissions to the Prostheses List reform consultation paper.

Date published:

2 February 2021

Type:

PHI circular

PHI circular type:

Prostheses announcement

Intended audience:

Health sector

The Department of Health would like to provide a reminder to stakeholders that submissions are due shortly for responses to the Consultation Paper: Options for Reforms and Improvements to the Prostheses List.

The consultation period will close on 15 February 2021 and the Department welcomes feedback from interested stakeholders.

The Department of Health (the Department) would like to thank stakeholders who have already provided a response. Following the close of the consultation period, responses will be used to inform the future direction of the reform.

The Consultation Paper is available through the [Department's Consultation Hub](#).

The department will continue to provide updates on Prostheses List reforms and review through PHI Circulars. All queries relating to Consultation Paper should be emailed to prosthesesreform@health.gov.au.
