PHI 83/22 - Transitioning the Prostheses List applications to a new online platform

Prosthesis List applications are transitioning to the Health Products Portal from 11 September 2023. To allow for this transition, the March 2024 PL Update will be bypassed.

Date published:

16 December 2022

Type:

PHI circular

PHI circular type:

Prostheses announcement

Audience:

General public

The Department is transitioning Prostheses List applications into the [Health Products Portal](#) (HPP) from 11 September 2023.

The current online application platform Prostheses List Management System (PLMS) will be closed from 14 May 2023.

To allow the transition, the Department will bypass the March 2024 PL update cycle. This means sponsors will not be able to submit applications between 14 May 2023 and 10 September 2023. Sponsors will be able to submit applications using the HPP from 11 September 2023.

There will be no impact to the 2023 PL update cycles (March, July, and November).
