Health sector

Prostheses List Reforms – Restructure of Part-B and proposed listing pathways open for consultation

The Prostheses List Reform Taskforce (PLRT) informs stakeholders that Consultation Paper No 2(a) – Modernisation of Part B of the Prostheses List and Consultation Paper 3 – A modernised fit-for-purpose listing process have been published on the [Department consultation hub](#).

Stakeholders are invited to upload submissions.

All queries relating to the consultation process should be emailed to prosthesesreform@health.gov.au.

How do I access the resources?

- [Consultation Paper 2\(a\) - Modernisation of Part B of the Prostheses List – closing on 4 March 2022](#)
- [Consultation Paper 3 - A modernised fit-for-purpose listing process – closing on 25 February 2022](#)
