# PHI 82/23 National Joint Replacement Register levy imposed on 30 November 2023

Invoices are now being sent to sponsors for the National Joint Replacement Register (NJRR) levy for the levy imposition date of 30 November 2023.

**Date published:** 5 December 2023

**PHI circular type:** Protheses announcement

**Audience:** Health sector

The NJRR is administered by Australian Orthopaedic Association (AOA), and is funded under the Commonwealth grant agreement. The funds for the agreement are fully cost-recovered from the sponsors of the joint replacement medical devices listed on the Prescribed List, by collecting the NJRR levies on an annual basis.

The Department has issued invoices for these levies to the relevant sponsors.
