Consultation on draft Cost Recovery Implementation Statement (CRIS)

For administration of the Prescribed List of
Medical Devices and Human Tissue Products
between 1 July 2024 to 30 June 2025

Date published: 8 May 2024

PHI circular type: Protheses announcement

Audience: Health sector

Stakeholders are invited to provide feedback on the draft Cost Recovery Implementation Statement (CRIS) 1 July 2024 – 30 June 2025 for [Administration of the Prescribed List of Benefits for Medical Devices and Human Tissue Products \(the Prescribed List\)](#).

This draft CRIS provides information on how the department will administer cost recovery arrangements relating to the Prescribed List for the 2024-25 financial year.

The draft CRIS also provides information on financial and non-financial performance, legislative changes, and financial and demand forecasts for 2024-2025 and three forward years.

The CRIS was last updated on 30 November 2023 to report the financial and non-financial results for the 2022-23 financial year.

Stakeholders can submit their feedback to PLcostrecovery@Health.gov.au by 29 May 2024.

The final CRIS document will include a summary of the feedback received from stakeholders.
